ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Membership Share, Kids Club, Teen Savings, Christmas Club, Vacation Club, and IRA Savings accounts, the dividend rate and annual percentage yield may change quarterly as determined by the Credit Union's Board of Directors. For Money Market, Premier Checking, Prime Checking, Genesis Checking, and Loyalty Checking accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Membership Share, IRA Savings, and Money Market accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. The Freedom Checking account is a tiered

rate account. Please refer to section 2 for additional details about this account.

2. FREEDOM CHECKING — For Freedom Checking accounts, you may qualify for monthly rewards if you meet the applicable minimum qualification requirements for the monthly qualification cycle. To meet the minimum qualification requirements, you must: 1) make 15 debit card purchases that post and settle your account; 2) have a minimum of \$500.00 in direct deposits; 3) be enrolled to receive e-statements. The Freedom Checking account is a tiered rate account. If you meet the minimum qualification requirements during the monthly qualification cycle, the first dividend rate and annual percentage yield listed in the Rate Schedule will apply if your balance is \$25,000.00 or below. The second dividend rate and annual percentage yield listed for this account will apply if your balance is \$25,000.01 or greater. Each dividend rate will apply only to that portion of the account balance within each balance range. In addition, we will refund up to \$25.00 in ATM fees assessed at nationwide ATMs we do not own or operate. ATM refunds will be paid on the last day of the month. The monthly qualification cycle is defined as the period beginning on the first day of the calendar month through the last day of the calendar month. Account transactions may take one or more business days from the date the transaction was made to post and settle to the account. All transactions must post and settle during the monthly

qualification cycle in order to qualify for the accounts reward. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the third dividend rate and annual percentage yield as listed in the Rate Schedule will apply to the entire balance in your Freedom Checking account and ATM fees will not be refunded to you.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

5. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Membership Share, Kids Club, Teen Savings, Christmas Club, Vacation Club, IRA Savings, Money Market, Premier Checking, Prime Checking, Genesis Checking, and Loyalty Checking accounts, if you close your account before accrued

dividends are credited, you will not receive the accrued dividends. However, for Christmas Club and Vacation Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

6. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Membership Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Money Market accounts, there is a minimum average daily balance required to avoid a service fee for the monthly statement cycle. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Schedule of Fees and Charges. For Premier Checking and Prime Checking accounts, there is a minimum average daily balance required to avoid a service fee for the dividend period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Schedule of Fees and Charges. For Premier Checking Accounts, a monthly service charge will be charged each month. This fee will not apply if you have an average daily balance of \$1,500.00 in savings or checking or an aggregate balance of \$5,000.00 in combined deposit accounts. For Membership Share, Kids Club, Teen Savings, Christmas Club, Vacation Club, IRA Savings, Money Market, Premier Checking, Prime Checking, Genesis Checking, and Loyalty Checking accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

7. ACCOUNT LIMITATIONS — For Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Christmas Club accounts, the entire balance will be paid to

you by check or transferred to another account of yours on or after October 31 and the account will remain open. If you withdraw from your Christmas Club account, you will be charged a fee as disclosed in the Schedule of Fees and Charges. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Vacation Club accounts, the entire balance will be paid to you by check or transferred to another account of yours on or after April 30 and the account will remain open. If you withdraw from your Vacation Club account, you will be charged a fee as disclosed in the Schedule of Fees and Charges. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Money Market accounts, the minimum amount you may withdraw from your Money Market account at any time is \$100.00.
